**Haydon Diana** would suit a person looking for a smaller quality type Nationals polocrosse prospect or for juniors or for pony club. She has played a lot of chukkas, is ready to go on and play. She is quite, easy, handy and plays on a loose rein. She has proven breeding right back being from a top playing mare and her sire has produced award winning polocrosse horses like Haydon Night Diva who was 2012 Best Ladies Horse in Queensland & 2014 Nat Buchanan Trophy winner, Haydon Dunkirk and a long list of other award winners, which can be seen on the website under Murrabong Victory.

Her dam Haydon Without Doubt (Winnie) below, a prize winning, good type of mare who played for ten years at Ellerston in many winning Wanless Polo teams. Her first foal the Acres Destiny colt Haydon Hectare was sold at our 2011 Colt sale and Haydon Diana's two year old full sister Haydon Faith will be started this year.

**Haydon Without Doubt in her playing days**

**Haydon Hectare at the 2011 Colt Sale**

**Haydon Diana** is from an old Bloomfield family which started back in the 1880's producing many top competition horses. Haydon Fidget won Championship campdrafts and her three quarter sister by Haydon Starlight, Haydon Dawn represented NSW in the winning team at the RAS in 1938. Haydon Winsome not only won campdrafts but also hacks and polo classes. Haydon Winsome II was used as a broodmare and Haydon Fidget by Beranghi was shown successfully.

**Haydon Winsome 11 as a broodmare shows the classic Chan front.**

**Peter Haydon holding Without Doubt**

**Haydon Winsome ridden by FB Haydon**

**Haydon Dawn represented NSW before the war ridden by FB Haydon**
