Haydon Dove is an exciting prospect, has just been started and was a star at young horse chukkas, doing plays well in advance of her years. A typey mare with a good head and hind quarter, ideal for high goal.

She combines the bloodlines of Techrico with Drawn, Rodeo Rush, Young Valais, The Gun and back to Bobby Bruce. She is the direct dam line of the renowned Breeze/Breezette family.

Her sire Techrico's is by the Champion Zabeel who brings in top staying blood as the sire of three Melbourne Cup winners. His dam Vaindarra was Champion Two Year Old Filly.

Haydon Dove is a half-sister to top polo mare **Haydon Finch** and **Haydon Hummingbird** who has started playing very well. Her year older full sister **Haydon Dove** has also shown very good potential playing.

Haydon Hummingbird is another half-sister

Her dam **Haydon Wren's** sire Haydon The Don is out of the Champion polo mare Haydon Olivia by Rodeo Rush, who Memo Gracida played in the Ellerston 40 goal. His full sister Olivia 11 is now playing the high goal in England and Olivia 111 was BPP in a Test Match.

Her 4th dam Breeze a full sister to the legendary Breezette, from one of the celebrated families of the stud book. Other full siblings include Cool Gun, Musket, Zephyr, Top Gun, Calm 11, Shogun, Cool Change, Solo and Cool Breeze. Breeze performed very well and also produced Kylie by Never in Doubt a top mare and producer at Ellerston, the stallion Caribou, Blue Breeze, Soft Breeze and Gunnadilly. Kylie's top playing daughter Tweet produced Canary, BPP at Ellerston in 2012 and Twiggy played by 10 goaler Gonzalito Pieres. Another daughter Twinkle is one of James Beim's favourite high goal mares.
