Haydon Robin’s full sister Haydon Hummingbird playing top polo

Haydon Robin is by the proven polo sire **Murrabong Victory** whose parents both played at Ellerston. He is the sire of a long list of successful horses. She was an early foal, well grown and good bodied filly. She is set to emulate her full sister's **Haydon Hummingbird** and **Haydon Finch** and half-sister's **Haydon Dove** and **Haydon Plover**.

Her full-sister **Haydon Finch** was sold as a four year after being in the winning team of ponies in the low goal at Wirragulla. She was just so easy to play.
