Haydon Wedding Day injured her knee and was given to Peter and Anita Crowe to use as a broodmare for their wedding present. She was out of the champion broodmare **Haydon Sun Rose** whose progeny include:

Haydon Apollo who has already played three polocrosse Nationals winning prizes at his last two; a full brother **Haydon Satellite** stands at stud in the USA and won Champion Cyber Horse of America; **Haydon Orbital** was the top priced colt purchased by Terry Blake, Rosebrook Stud; the successfully shown **Haydon Endeavour** and their half-sister **Haydon Elm** who is playing polo overseas.

She is from the old proven Rose Family with her 4th dam **Haydon Gypsy II** being a top all round mare at campdrafting, working and going on to win Australian Cutting Horse Champion. Her mother was a full sister to Champion Polo mare **Haydon Bambi** and top campdrafter and sire **Just Fred** who features in Hazelwood Romance's pedigree.
