HAYDON SAPHIRE

**Haydon Shimmer** is an attractive brown mare with a blaze. She excelled in young horse chukkas being just so light to play, like her family and with a lovely light action. She has played well in the faster polo in the 2018 League. She is a full sister to promising polocrosse mare Haydon Vanity Fair, Haydon Hi Tech, Haydon Haze, Haydon Illusion and Haydon Magnet.

Her dam Haydon Mirage was joined after showing talent at polo, proving an especially light mare to play, never having to touch her. Her first foal Haydon Hitech by Techrico was sold at the Stud's Colt Sale, was good natured and has proved to be very quiet. Haydon Mirage has also produced by Techrico the gelding Haydon Haze who went well in young horse chukkas and Haydon Illusion who is one of the pick 2014 foals. She has a lovely 2016 filly Haydon Camilla by Maximus.

**Haydon Dream Jewel** was joined as a four year old after showing good potential at polo and the international success of her sire Haydon Drawn. She has produced Haydon Precious Jewel who is playing overseas, and the stylish colt Haydon Image purchased by the Munro Family as a sire. His full sister is the natural polo mare Haydon Magic Jewel. Haydon Siesta went to Queensland as a sire and Haydon Drift is played by Australian polocrosse captain Cameron Shepherd. Her full brother Haydon Dark Draw won a BPP, played at Ellerston and amassed a huge collection of ribbons in the showring. Their half-sister **Haydon Wonder Jewel** played at Ellerston producing Ruby winning BPP at the 2015 Qld Gold Cup and top playing mare Haydon Nightfall. Another half-sister Haydon Eternity is the mother of top award winning polocrosse Nationals mare Haydon Tiffany.

**Haydon Dark Jewel** was an outstanding all round performance mare. The winner of eight polo awards, campdrafts, working and stock horse challenges. Played by two Australian Captains in Test series, in 1986 by Jim MacGinley and in 1987 by Jamie Mackay. A good old Bloomfield family through Topaz who campdrafted at the RAS in 1937, going back to Countess in the 1880's.
