Haydon Balmoral has a big future as a sire being out of the top playing Solar mare Haydon Sky Jewel who is out of the Drawn, Hall of Fame international mare, Haydon Angel Jewel's full sister, Haydon Tourmaline. Haydon Angel Jewel won every major tournament in the world played by Adolfo Cambiaso, including the Argentine Triple Crown, the US Open, the UK Gold Cup and the Spanish Triple Crown, a feat no other horses has achieved. Balmoral ticks all the boxes with a lovely head, very good temperament and type, being athletic with power and a pedigree which is second to none. His sire Ellerston Ruski's pedigree contains the internationally renowned mares Cruiser, Dinghy, Pinky, La Luna and Sheltie. He has such a strong dam line as well with the added bonus of a double cross of the Argentine legendary mare La Luna.

SIRE: ELLERSTON RUSKI-HSH

Ruski is from the renowned **Norman Pentaquad** sire line and from the family of Hall of Fame mare **Pinky**. His dam is the great Solar mare **Cruiser** and he is by the top sire **Cavalier, Sheltie's** full brother. His pedigree includes the famous mares Hall of Fame mares **La Luna and Pinky, Dinghy, Cruiser, Sheltie** and **Blue** with close relations **Claret, Skiff, Spinnaker, Yacht and Clarity**. He combines the two legendary mares **La Luna**, regarded as the greatest playing and producing mare in Argentina and similarly for **Pinky** in Australia. Ruski started well in young horse chukkas in 2016 with his first foals born in 2018, inheriting his type and temperament. It is a rare combination to have such an impeccable pedigree matched with such good phenotype and progeny.

In June 2018 Ruski's mother **Cruiser** made a stunning UK debut, winning BPP in her first tournament. The prize was presented by the Queen to her 10-goal player Adolfo Cambiaso, after winning the Royal Windsor tournament. In a memorable play Adolfo turned the ball on her on the backline and then completely outran the whole team to score a stunning full length of the field goal. She just did everything at pace so easily. Adolfo Cambiaso then took her to Argentina to win the Argentine Open with his 40-goal team La Dolfina. The fact he actually played her in his string at Palermo with the Cuartertera clones simply speaks volumes of what he thought of her. In 2019 her full brother Skiff won the same prize for BPP at same Royal Windsor tournament!

In 2022 Ruski's full sister **Ellerston Onassis Skyy** in her debut higher season won three BPP awards in a month, at the Australian Open, Ellerston and Garangula. It was daughter like mother as the commentator described her as a "super star" and "how does this mare have so much pace and so much handle."
