## SIRE: ELLERSTON RUSKI-HSH

**Ruski** is from the renowned **Norman Pentaquad** sire line and from the family of Hall of Fame mare **Pinky**. His dam is the great Solar mare **Cruiser** and he is by the top sire **Cavalier**, **Sheltie's** full brother. His pedigree includes the famous mares Hall of Fame mares **La Luna and Pinky, Dinghy, Cruiser, Sheltie and Blue** with close relations **Claret, Skiff, Spinnaker, Yacht and Clarity**. He combines the two legendary mares **La Luna**, regarded as the greatest playing and producing mare in Argentina and similarly for **Pinky** in Australia. Ruski started well in young horse chukkas in 2016 with his first foals born in 2018, inheriting his type and temperament. It is a rare combination to have such an impeccable pedigree matched with such good phenotype and progeny.

In June 2018 Ruski's mother **Cruiser** made a stunning UK debut, winning BPP in her first tournament. The prize was presented by the Queen to her 10-goal player Adolfo Cambiaso, after winning the Royal Windsor tournament. In a memorable play Adolfo turned the ball on her on the backline and then completely outran the whole team to score a stunning full length of the field goal. She just did everything at pace so easily. Adolfo Cambiaso then took her to Argentina to win the Argentine Open with his 40-goal team La Dolfina. The fact he actually played her in his string at Palermo with the Cuartetera clones simply speaks volumes of what he thought of her. In 2019 her full brother Skiff won the same prize for BPP at same Royal Windsor tournament!

In 2022 Ruski's full sister **Ellerston Onassis Skyy** in her debut higher season won three BPP awards in a month, at the Australian Open, Ellerston and Garangula. It was daughter like mother as the commentator described her as a "super star" and "how does that mare have so much pace and so much handle".
