SIRE: ELLERSTON RUSKI-HSH

Ruski is from the renowned **Norman Pentaquad** sire line and from the family of Hall of Fame mare **Pinky**. His dam is the great Solar mare **Cruiser** and he is by the top sire **Cavalier**, **Sheltie's** full brother. His pedigree includes the famous mares Hall of Fame mares **La Luna and Pinky, Dinghy, Cruiser, Sheltie** and **Blue** with close relations **Claret, Skiff, Spinnaker, Yacht and Clarity**. He combines the two legendary mares **La Luna**, regarded as the greatest playing and producing mare in Argentina and similarly for **Pinky** in Australia. **Ruski** started well in young horse chukkas in 2016 with his first foals born in 2018, inheriting his type and temperament. It is a rare combination to have such an impeccable pedigree matched with such good phenotype and progeny.

In June 2018 **Ruski's** mother **Cruiser** made a stunning UK debut, winning BPP in her first tournament. The prize was presented by the Queen to her 10-goal player **Adolfo Cambiaso**, after winning the Royal Windsor tournament. In a memorable play **Adolfo** turned the ball on her on the backline and then completely outran the whole team to score a stunning full length of the field goal. She just did everything at pace so easily. **Adolfo Cambiaso** then took her to Argentina to win the Argentine Open with his 40-goal team **La Dolfina**. The fact he actually played her in his string at Palermo with the Cuartertera clones simply speaks volumes of what he thought of her. In 2019 her full brother **Skiff** won the same prize for BPP at same Royal Windsor tournament!

In 2022 Ruski's full sister **Ellerston Onassis Skyy** in her debut higher season won three BPP awards in a month, at the Australian Open, Ellerston and Garangula. It was daughter like mother as the commentor described her as a "super star" and "how does that mare have so much pace and so much handle".
