Mare

Haydon Lumina is a good strong type of mare bred to play in higher goal polo, being out of successful sire Haydon Nightwatch's full sister, with a polo pedigree that goes right back. She was started in 2018, stick and balled but then had a break due to the drought and covid. She played slow chukkas in 2021 and the Ellerston 8 goal in 2022, playing well in advance of her experience, followed by tournaments at Windsor in 2023.

Haydon Lumina at Ellerston 2022

Haydon Lumina is out of successful sire **Haydon Nightwatch's** full sister, **Haydon Dawnlight** who was retained by the Stud as a broodmare after her full-sister **Haydon Moonlight** was sold to play overseas as a three-year-old. **Haydon Moonlight** was a very special mare winning Champion Novice at Scone and was a greatly admired mare. **Lumina** combines the proven playing bloodlines of **Haydon Drawn, Never In Doubt x 2, Panzer, Sundown, Young Valais, Haydon Starlight**, going right back to Tester and Eclipse in the 1880's.

Haydon Moonlight, before going overseas, a full sister to Haydon Lumina's dam Haydon Dawnlight and sire Haydon Nightwatch

Sire Haydon Dancer a prolific winner including the Nat Buchanan Trophy for the Best ASH in its pursuit Australia

This is a proven old Bloomfield family tracing back to **Flirt** by **Eclipse** in the 1880's. Her daughter **Haydon Thora** won many of the original campdrafts in the 1920's. Her daughters by **Haydon Starlight**, **Haydon Dark Night** and **Haydon Twilight** were exceptional mares. Champion polo mare **Haydon Eulalie** played in the finals of R.A.S Polo and the Gold Cup in 1954. **Haydon Ballerina** was dam of Nat Buchanan Trophy winner **Haydon Dancer** and **Haydon Nightlight**.
